MICHAEL FEDELE, Lieutenant Governor:

Official Citation

In Recognition of:

Coppola & Sons Construction Company, Inc.

Stamford, Connecticut

For providing over forty years of quality service and experience in general construction for all phases and projects ranging from small office buildings to large-scale structures. Beginning as a brick/stone contracting firm, Coppola & Sons Construction Company, Inc. has expanded to include all facets of general contracting services, specializing in commercial, residential, and industrial work. The Office of the Lieutenant Governor recognizes Coppola & Sons Construction Company, Inc. for your dedication to superior service and commitment to professional excellence. On behalf of the State of Connecticut, we wish you continued success and look forward to a sustained working partnership with you, the City of Stamford, the business community, and the State of Connecticut.
